

Approved

A-101

1. Based on competitive bids previously obtained. (Note 2) Transistors (\$1935.00)
 2. Mandatory source required by customer, ~~eng~~ engineering, or shop practice. (Note 3) (Transformers) \$1,035
 3. Parts ordered previously checked out in prototype and determined most suitable and available (Note 4) \$4903.75 Diodes
 4. Facilities of vendor chosen indicate get ability to perform contract (Note 5) (\$2112) 3 eras heads
 5. Filters ordered were designed around a Hycor coil. (Note 6) \$1124.55 - Filter sections
 6. Five vendors, contacted by OK phone, unable to meet requirements. (Note 7)
- #3,871.25 Amplifier assembly

7. Lack of time (Note 8) \$3595.50 -
Transformers

8. Only known source - but 13
months later another company found
cheaper (Note 9) \$6737.50 110 audio
crystals

9. No time, most suitable units (Note 10)
(\$2115.06 Transformers)

10. No reason, but was prior source (Note 11)
\$1557.08 Klystron units, also 4 Tuners

11. Time delay (Note 12) capacitors
\$3876.30

12. Units to be used on production \$1,100.
model now on pilot line. (Note 13) capacitors

13. Contractor preferred this company's
equipment. (Note 14) \$2720.00 2 comp. of model
350-37 applications

14. New innovation - techniques known
OK only by [REDACTED] (Note 15) STATOTHR
\$14,291.64 crystal filters

15. No time (Note 16) \$441.06 - Tubes

16. Only local source (Note 17)

\$741.60 72 roller tape for system tape

17. mandatory purchase - purchased from factory offering necessary characteristics of equipment and best availability. (Note 18) \$27,200
 [REDACTED] - (Page 5 of 28)

STATOTHR

OK 18. Order placed with vendor on a one bid basis at suggestion of Engineering after consultation between Engineering and vendor relative to art work and drawings before release of same. Availability of material at time requisition was written resented in vendor's delivery status as being acceptable to R.W. (Note 19) \$1,778.60 test adapter boards

19. Previously bid (Note 20) \$864.00 spring gear reel drive

20. Sole Source (Note 21) 1338.00 vibrator

OK 21. Order placed on the basis of prior competitive bidding. Parts must be identical to those previously purchased. (Note 22) \$5267.20 filter section

22. Only company to meet spec (Note 23) \$1507.83 paper

23. Only ^{qualified} manufacturer to make
OK delivery (Note 24) \$22,363.50
I.F. assemblies

24. Unusual characteristics and
construction of these capacitors
prohibits substitutes. (Note 25)
\$1097.00 Capacitors

25. Sole source for ~~existing~~ ~~pro~~
~~type~~ telemetering data-handling
tape equipment of a type that is
compatible with the customers
existing equipment. (Note 26)
\$160,039.50 — Ampex —

26. Sole qualified source (Note 27)
\$460.00 resistors

27. Termination & order from second
OK low bidder (Note 28)

\$11,625.00 housings, tooling
